

Measuring the value of partnering: how to use metrics to plan, develop, and implement successful alliances

Segil, Lorraine, author

Deskripsi Lengkap: <https://lib.ui.ac.id/detail?id=20438380&lokasi=lokal>

Abstrak

"One of the key elements to building and sustaining a successful corporate alliance is having a system in place that monitors its progress. From creation and implementation to termination, knowing which metrics to use at each stage of the alliance life cycle is necessary to accurately gauge every factor in your new business relationship."
