

Coaching training

Chen, Chris W., author

Deskripsi Lengkap: <https://lib.ui.ac.id/detail?id=20438677&lokasi=lokal>

Abstrak

Focuses on helping coaches properly define their coaching roles and provides the skills necessary to be successful. This book states that a wide range of activities fall under the label of coaching, including guiding, teaching, motivating, and mentoring. It is designed to train people for one-on-one coaching situations.
