

Public procurement: making the best of the OJEC procedures

Blyth, Alastair, author

Deskripsi Lengkap: <https://lib.ui.ac.id/detail?id=20440289&lokasi=lokal>

Abstrak

This guide looks at the basic requirements of the directives on public procurement issued by the European Union, as well as the UK regulations that have incorporated the directives into UK legislation. This is not a legal text book: instead it aims to offer architects a straight forward guide to what to expect when competing for work subject to the EU procurement rules.
