

Leaders as teachers: unlock the teaching potential of your company's best and brightest

Betof, Edward, author

Deskripsi Lengkap: <https://lib.ui.ac.id/detail?id=20441100&lokasi=lokal>

Abstrak

Presents the journey of Becton, Dickinson and Company (BD), which created and deployed a leadership development program that relies on its top leaders (even the CEO) to train other leaders. This title helps your organization, too, can learn how to build and implement this vital program.
