

Emotional intelligence for project managers: the people skills you need to achieve outstanding results

Mersino, Anthony C., author

Deskripsi Lengkap: <https://lib.ui.ac.id/detail?id=20441356&lokasi=lokal>

Abstrak

In order to run projects successfully, project managers need to master more than the requisite technical knowledge. The more complex the project, the more significant their interpersonal skills become to achieving a successful outcome. Without the people skills necessary to lead effectively, even the most carefully orchestrated project can quickly fall apart.
