

Training across generations: workplace issues

Rowe, Kim A., author

Deskripsi Lengkap: <https://lib.ui.ac.id/detail?id=20441990&lokasi=lokal>

Abstrak

Today's trainers find themselves in the unique position of having to train four different generations some times in the same classroom. The four generations are veterans (or traditionalists), baby boomers, Generation X, and Generation Y. This Infoline covers each generation's unique learning preferences and provides tips and techniques for enhancing the learning of each.
