## Abstrak

Now more than ever, American companies are experiencing a nagging feeling that they could be doing much better. Globalization, digitization, and the development of cellular technology have increased competition by leaps and bounds. As a consequence, skating by on marginal performance isn?t enough. It?s time for businesses to find the tools that will help them excel. A turnaround expert, Marvin Davis has made a career out of transforming underperforming companies. He assesses their mistakes, issues a diagnosis, and has helped allay the fears of many CEOs across the country -- leaving businesses more efficient and ultimately more competitive.
