

The employer's legal advisor

Hanna, Thomas M., author

Deskripsi Lengkap: <https://lib.ui.ac.id/detail?id=20443671&lokasi=lokal>

Abstrak

Many company owners will find themselves needing to consult an employment attorney. Labor lawyer Hanna, in a no-nonsense, down-to-earth guide, helps corporate executives avoid the hassles of employee lawsuits. Not only are his instructions sound and relatively jargon free, the examples and (disguised) snippets of trial transcripts emphasize the need to become "master of the facts." Almost every possible question is anticipated--and answered in as straightforward a manner as possible.
