<b>ABSTRAK</b><br>

Nama : Mohammad Al Fatah  
Program Studi : Farmasi  
Judul : Praktek Kerja Profesi di Puskesmas Kecamatan Tambora Periode Oktober Tahun 2016  
Praktek Kerja Profesi di Puskesmas Kecamatan Tambora dilakukan selama 3 minggu yang dimulai pada 10 Oktober 2016 hingga 31 Oktober 2016. Praktek kerja profesi ini bertujuan untuk membuat mahasiswa calon Apoteker memahami peran dan tanggung jawab dari Apoteker di Puskesmas berdasarkan Peraturan Menteri Kesehatan No. 30 tentang Standar Pelayanan Kefarmasian di Puskesmas. Pada peraturan tersebut, Apoteker di Puskesmas bertanggung jawab dalam kegiatan pengelolaan sediaan farmasi, alat kesehatan, dan bahan medis habis pakai dan kegiatan pelayanan farmasi klinik. Hasil pengamatan selama melakukan praktek kerja profesi di Puskesmas Kecamatan Tambora menunjukkan bahwa Apoteker di Puskesmas bertanggung jawab secara penuh dalam praktek pelayanan kefarmasian yang meliputi pengelolaan sediaan farmasi, alat kesehatan, dan bahan medis habis dan pelayanan farmasi klinik. Kegiatan pengelolaan sediaan farmasi, alat kesehatan, dan bahan medis habis pakai di Puskesmas Kecamatan Tambora sudah sepenuhnya dilakukan berdasarkan peraturan Menteri Kesehatan No.30 meskipun masih terdapat kekurangan khususnya ditempat penyimpanan sediaan farmasi, alat kesehatan dan bahan medis habis pakai dikarenakan kondisi bangunan tempat penyimpanan tidak mencukupi. Kegiatan farmasi klinik yang sudah dilakukan adalah pelayanan resep, pemberian informasi obat, konseling, visite, pemantauan terapi obat, dan evaluasi penggunaan obat. <b>ABSTRACT</b><br>

Name Mohammad Al Fatah  
Study Program Pharmacist  
Title Profession internship at Puskesmas Kecamatan Tambora  
Period October 2016  
Profession internship at Puskesmas Kecamatan Tambora was held for 3 weeks that started on July 10th, 2016 until August 31th 2016. The Profession internship was intended to make pharmacists student understand the role and responsibilities of pharmacists in Puskesmas based on the Minister of Health No. 30 about Standards of Pharmaceutical Services at the Puskesmas. In these regulations, Pharmacists in a Puskesmas is responsible for the management of pharmaceutical, medical devices, and other medical consumables tools and clinical pharmacy service. Observations result during Profession internship at Puskesmas Kecamatan Tambora showed that pharmacists in the Puskesmas takes full responsibility in the practice of pharmacy services that include management of pharmaceutical, medical devices, and other medical consumables tools and clinical pharmacy services. Management activities of pharmaceutical, medical devices, and other medical consumables tools in Puskesmas Kecamatan Tambora has been fully carried out under laws Health Minister No. 30 although there was still imperfection due to available storage warehouse was not big enough compared with the number of pharmaceutical, medical device and other medical consumables items. Clinical pharmacy services that have been carried out in

Puskesmas Kecamatan Tambora were prescription services, provision of drug information, counseling, visits, therapeutic drug monitoring, and evaluation of drug use. Key Word Profession internship, Puskesmas, Kecamatan Tambora Assignmen xii 70 pages 33 appendices Bibliography 11 1993 2016
