

Archaeological theory: an introduction

Johnson, Matthew, author

Deskripsi Lengkap: <https://lib.ui.ac.id/detail?id=20448201&lokasi=lokal>

Abstrak

"Archaeological Theory, 2nd Edition is the most current and comprehensive introduction to the field available. Thoroughly revised and updated, this engaging text offers students an ideal entry point to the major concepts and ongoing debates in archaeological research." "Exploring the many ways of approaching the human past, from positivism to postmodernism, Johnson reveals the historical origins of different schools of thought and sets theories against the practical problems they are intended to solve, as well as against wider developments in other disciplines." --Book.
