Abstrak

With the Lisbon Treaty in place and the European Union increasingly involved in international crisis management and stabilization operations in places near and far, this volume revisits the trajectory of a European strategic culture. Specifically, it studies the usefulness of its application in a variety of circumstances, including the EU's operations in Africa and the Balkans as well as joint operations with NATO and the United Nations. The contributors find that strategic culture is a useful tool to explain and understand the EU's civilian and military operations, not in the
