

Management of human service programs

Lewis, Judith A., 1939-, author

Deskripsi Lengkap: <https://lib.ui.ac.id/detail?id=20450745&lokasi=lokal>

Abstrak

This book takes the reader along the road toward understanding the purposes and processes of human service management. [In the book, the authors] begin by addressing some of the management challenges that may be unique to human service settings. [They] examine the environments that have an impact on human service organization and then move on to explore program planning, organizational design, human resource management, supervision, finances, information systems, program evaluation, leadership, and organizational change.-Pref.
