

The theory of best approximation and functional analysis

Singer, Ivan, author

Deskripsi Lengkap: <https://lib.ui.ac.id/detail?id=20451037&lokasi=lokal>

Abstrak

Results and problems in the modern theory of best approximation, in which the methods of functional analysis are applied in a consequent manner. This modern theory constitutes both a unified foundation for the classical theory of best approximation and a powerful tool for obtaining new results.
