Abstrak

Islamic finance is emerging as a rapidly growing part of the financial sector in the Islamic world and is not restricted to Islamic countries, but is spreading wherever there is a sizable Muslim community. According to some estimates, more than 250 financial institutions in over 45 countries practice some form of Islamic finance, and the industry has been growing at a rate of more than 15 percent annually for the past several years. The market's current annual turnover is estimated to be 70 billion, compared with a mere 5 billion in 1985, and is projected to hit the 100 billion mark by the tur.
