

Writing your journal article in 12 weeks: a guide to academic publishing success

Belcher, Wendy Laura, author

Deskripsi Lengkap: <https://lib.ui.ac.id/detail?id=20451286&lokasi=lokal>

Abstrak

"[This book enables] academic authors to overcome their anxieties and produce the publications that are essential to succeeding in their fields. Each week, readers learn a particular feature of strong articles and work on revising theirs accordingly. At the end of twelve weeks, they send their article to a journal. This invaluable resource is the only guide that focuses specifically on publishing humanities and social science journal articles." -- Publisher description.
