

History of telegraphy

Beauchamp, Ken, 1923-1999, author

Deskripsi Lengkap: <https://lib.ui.ac.id/detail?id=20452588&lokasi=lokal>

Abstrak

Recording the growth of telegraphy over two centuries, this volume depicts the discoveries and ingenuity of those involved, the equipment they designed, and the applications and effects on society. Emphasis is placed on cable-based techniques and wireless transmissions.
