Abstrak

ABSTRAK

Penelitian ini dilakukan untuk mendapatkan gambaran mengenai hubungan antara keterlibatan ayah dengan pemenuhan kebutuhan dasar psikologis, yang terdiri dari tiga kebutuhan yakni kebutuhan otonomi, kebutuhan kompeten, kebutuhan keterhubungan. Variabel keterlibatan ayah diukur dengan menggunakan alat ukur yang dikembangkan Finley dan Schwartz 2004 yakni Father Involvement Scale FIS dan Nurturant Fathering Scale NFS . Variabel pemenuhan kebutuhan dasar psikologis diukur dengan alat ukur Basic Psychological Needs in General yang diadaptasi oleh Gagne 2003 . Responden penelitian adalah siswa SMA dan SMK yang berdomisili di Jabodetabek. Jumlah semua responden penelitian ini adalah 416 yang diperoleh secara offline dan online. Hasil penelitian menunjukkan bahwa terdapat hubungan yang signifikan antara keterlibatan ayah dengan pemenuhan kebutuhan dasar otonomi, kompeten, keterhubungan. Selain itu, keterlibatan ayah juga memiliki hubungan yang signifikan dengan pemenuhan kebutuhan dasar psikologis secara keseluruhan.

ABSTRACT

This study was conducted to examine the correlation between father involvement and basic psychological needs satisfaction, which consists of the need for autonomy, need for competence and need for relatedness. Father Involvement was measured by the Father Involvement Scale FIS and the Nurturant Fathering Scale NFS developed by Finley and Schwartz 2004 , whereas the Basic Psychological Needs Scale in General developed by Gagne 2003 was administered to measure basic psychological needs satisfaction. Participants of this study are students of high school and vocational high school who live in Jabodetabek area. There were a total number of 416 students who filled out the offline and online questionnaire. Results of this study show that there are significant correlations between father involvement and need for autonomy, need for competence, and need for relatedness. Furthermore, this study also shows that there is a significant correlation between father involvement and basic psychological needs satisfaction.
