Abstrak

Laporan magang ini membahas tentang analisis pelaksanaan tugas dan tanggung jawab Unit Pengendalian Gratifikasi UPG di Inspektorat Jenderal Kementerian Perhubungan Itjen Kemenhub . Metode yang digunakan dalam laporan magang ini adalah observasi dan wawancara. Hasil analisis dalam laporan magang ini yaitu Unit Pengendalian Gratifikasi UPG di Itjen Kemenhub telah melaksanakan tugas dan tanggung jawabnya secara keseluruhan namun belum optimal. Tugas dan tanggung jawab yang belum optimal yaitu monitoring dan evaluasi efektivitas pengendalian gratifikasi dan kerjasama dengan UPG Wilayah untuk melakukan sosialisasi di lingkungan Kementerian Perhubungan. Hal tersebut dikarenakan belum berjalannya fungsi pengorganisasian dan pengawasan dalam UPG. Penulis merekomendasikan agar UPG memperbaiki kedua fungsi tersebut.

This internship report discusses about analysis of the implementation of the duties and responsibilities of Unit Pengendalian Gratifikasi UPG in General Inspectorate of Ministry of Transportation. The methods used in this internship report are observation and interview. The result of analysis in this internship report is UPG in General Inspectorate of Ministry of Transportation has performed its duties and responsibilities as a whole but have not been optimal. Duties and responsibilities that have not been optimal are monitoring and evaluation of effectiveness of gratuity control and cooperation with Region UPG to socialize within the Ministry of Transportation. This is due to the lack of organizing and monitoring functions within the UPG. The author recommend that UPG improve both functions.
