Abstrak

ABSTRAK

Karya akhir ini dibuat bertujuan untuk mengetahui bagaimana hegemoni maskulinitas dalam suatu Perda diskriminatif dapat mengopresi perempuan. Penulis melakukan analisis wacana kritis dengan menggunakan data sekunder dari Kajian Komisi Nasional Anti Kekerasan terhadap Perempuan serta dianalisis berlandaskan pada teori kriminologi feminis dan feminist legal theory. Hasil karya akhir ini menunjukkan bahwa hegemoni maskulinitas dan pemikiran patriarki dalam masyarakat Indonesia menjadikan faktor munculnya Perda diskriminatif. Selain itu, Perda merupakan sebuah instrumen pemerintah yang dijadikan untuk mengontrol tubuh perempuan. Melalui Perda, laki-laki dapat mengopresi perempuan melalui teks dan implementasi Perda diskriminatif tersebut. Kata Kunci : Perda diskriminatif, hegemoni maskulinitas, opresi, tubuh perempuan, teori kriminologi feminis, feminist legal theory.

ABSTRACT

This thesis aims to find out how hegemonic masculinity, through discriminative regional regulations, can oppressed women. Through critical analytical text method, this research was conducted by using a secondary data from National Commission on Violence Against Women 39 s research, analyzed based on feminist criminological theory and feminist legal theory. The result shows that hegemonic masculinity and patriarchal perspective that deeply ingrained in Indonesian society became the emergence of factors of any discriminative regional regulation. Moreover, the regional regulations act as governmental instruments to control women 39 s body. The oppression of women by men, thus, is done through the text and the implementation of these harmful regional regulations. Keywords discriminative regional regulation, hegemonic masculinity, oppression, women 39 s body, criminological feminist theory, feminist legal theory.
