#### Summary:

Whilst organizing a mock murder hunt for the village fete hosted by Sir George and Lady Stubbs, a feeling of dread settles on the famous crime novelist Adriane Oliver. Call it instinct, but it's a feeling she just can't explain ... or get away from. In desperation she summons her old friend, Hercule Poirot--and her instincts are soon proved correct when the "pretend" murder victim is discovered playing the scene for real, a rope wrapped tightly around her neck. But it's the great detective who first discovers that in murder hunts, whether mock or real, everyone is playing a part.
