

Miller's antiques encyclopedia

Deskripsi Lengkap: <https://lib.ui.ac.id/detail?id=20461530&lokasi=lokal>

Abstrak

First published in 1998, 'Miller's Antiques Encyclopedia' has been hailed as the most accessible and authoritative antiques reference book ever published. It has gone on to sell over 110,000 copies worldwide and has been published in seven different languages. This new fourth edition includes a thoroughly updated directory, list of suppliers and up-to-date price codes for each item. An essential addition to every bookshelf, 'Miller's Antiques Encyclopedia' offers clear and wide-ranging coverage of antiques and collectables, with valuable information for both the enthusiast and the experienced dealer. An extensive glossary explains the terms used throughout the book
