

Gender development

Blakemore, Judith E. Owen., author

Deskripsi Lengkap: <https://lib.ui.ac.id/detail?id=20465067&lokasi=lokal>

Abstrak

Gender development is examined from infancy through adolescence, integrating biological, socialization, and cognitive perspectives. This book introduces the field and outlines its history. It focuses on gender role behaviors - how they develop and the roles biological and experiential factors play in their development.
