#### **Abstrak**

Skripsi ini mengelaborasi konflik kepentingan yang terjadi antara Pemprov DKI Jakarta dengan PT Godang Tua Jaya dan PT Navigat Organic Energy Indonesia pada pengelolaan TPST Bantargebang, September 2015 – Juli 2016. Penelitian ini menggunakan metode kualitatif dengan data primer dan sekunder. Temuan penelitian memperlihatkan bahwa PT GTJ dan PT NOEI mengalami kendala dalam proyeksi pengelolaan TPST Bantargebang. Kendala tersebut terjadi akibat tidak tercapainya breakeven point pada proses waste to energy. Konflik kepentingan muncul ketika PT GTJ dan PT NOEI menggunakan kemampuan sumber daya dalam mempengaruhi regulasi Pemprov DKI Jakarta. Konflik kepentingan menyebabkan Pemprov DKI Jakarta memutus kontrak kerja sama dengan PT GTJ dan PT NOEI.

.....This Thesis elaborated the conflict of interest between the provincial government of Jakarta with PT Godang Tua Jaya and PT Navigat Organic Energy Indonesia on the management of Bantargebang Integrated Waste Management Facility during September 2015 until July 2016. This Skripsi using qualitative methods based on primary and secondary data. PT GTJ and PT NOEI have had issues in the projection of management Bantargebang Integrated Waste Management Facility. The issues started when the breakeven point was not reached at the waste to energy process. Conflict of interest arose when PT GTJ and PT NOEI decided to use their resources to influence the regulations made by the provincial government of Jakarta, and let to the provincial government of Jakarta ending the cooperation contracts with PT GTJ and PT NOEI.
