Abstrak

ABSTRAK

Negara Dubai memiliki bangunan-bangunan modern di kawasan Timur Tengah yang tepatnya berada di kawasan Uni Emirat Arab. Saat ini Negara Dubai telah menjadi objek pariwisata turis mancanegara. Peradaban Dubai sangat maju ini banyak mengubah sudut pandang para turis mengenai kawasan Timur Tengah yang banyak mempertahankan bentuk bangunannya sejak peradaban kuno. Dubai, yang didominasi oleh bangunan modern, tentunya memiliki sejarah awal modernisasi bangunan-bangunan tersebut. Karya tulis ini membahas mengenai sejarah modernisasi bangunan di negara Dubai dan juga upaya pemerintah dalam pemeliharaan bangunan tradisional di negara tersebut.

ABSTRACT

This paper discusses about modernization of Dubai's building. The method used in this research is literature review methods. The Emirate of Dubai has modern buildings in the Middle East region, precisely located in the United Arab Emirates. Currently, Dubai has become a great travel attraction of foreign tourists. This highly developed of Dubai civilization has greatly changed the tourist point of view about the Middle East region which has retained much of its buildings shape since ancient civilizations. Dubai, which is dominated by modern buildings, certainly has an early history of modernization of the buildings. This paper discusses the history of modernization of buildings in the emirate of Dubai and also government efforts to maintain the traditional buildings in the country.
