

Advances in taxation

Deskripsi Lengkap: <https://lib.ui.ac.id/detail?id=20469309&lokasi=lokal>

Abstrak

Advances in Taxation Vol. 23 contains a collection of high-quality manuscripts addressing problems arising from federal, state local and international taxation. The series uses a wide variety of research methods, including archival, experimental, survey, qualitative and legal approaches to address the problems and issues associated with taxation.
