

## **Return of Marxian macro-dynamics in East Asia**

Deskripsi Lengkap: <https://lib.ui.ac.id/detail?id=20469471&lokasi=lokal>

---

### **Abstrak**

This important and timely volume brings together experts in political economy from across the globe, to comment on the return of Marxian macro-dynamics in East Asia. The contributions explore macro-dynamics, the role of the state and hegemony in the context of transnational capitalism, and Marxian alternatives for East Asia.
