

Change management for organizations: lessons from political upheaval in India

Sadangi, Chandan Kumar, author

Deskripsi Lengkap: <https://lib.ui.ac.id/detail?id=20469577&lokasi=lokal>

Abstrak

Change management is a better or smarter approach to initiate a change via behavioral aspects. As it is the power to innovate which is a unique strength for companies, the need for strategies to tackle change management within the firm is evident.
