Abstrak

Skripsi ini membahas perkembangan konsep, regulasi, dan pelaksanaan regulasi Tanggung Jawab Sosial Perusahaan di Indonesia dan Belanda. Aspek-aspek tersebut akan dianalisa sebagai studi perbandingan regulasi Tanggung Jawab Sosial Perusahaan di kedua negara tersebut. Di akhir skripsi ada kesimpulan-kesimpulan dari analisa tersebut, yang akan menyebutkan kesamaan dan perbedaan dari regulasi Tanggung Jawab Sosial Perusahaan di Indonesia dan Belanda, serta rekomendasi untuk kedua Negara tersebut.

.....

This undergraduate thesis discusses the development of the concept of Corporate Social Responsibility, the regulations of Corporate Social Responsibility, and also the enforcement of said regulations of Corporate Social Responsibility in Indonesia and the Netherlands. The aforementioned aspects will then be analyzed as a comparative study of the regulations on Corporate Social Responsibility of both countries. At the end of this thesis are the conclusions of the analysis, which state the similarities and differences of the regulations on Corporate Social Responsibility of the countries, and suggestions for Indonesia's regulations in the future.
