Abstrak

Laporan magang ini membahas mengenai proses audit atas PT A Tbk dan Entitas Anak serta prosedur audit yang dilakukan atas menara telekomunikasi milik PT A Tbk, penyajian aset menara telekomunikasi sebelum dan setelah penerapan ISAK 31, dan dampak reklasifikasi menara telekomunikasi terhadap laporan keuangan PT A Tbk secara keseluruhan. PT A Tbk dan Entitas Anak bergerak di bidang penyewaan menara telekomunikasi serta sarana telekomunikasi lainnya. Berdasarkan prosedur audit yang telah dilakukan oleh auditor, aset menara telekomunikasi telah disajikan secara wajar. Selain itu, proses reklasifikasi aset menara telekomunikasi dari properti investasi menggunakan model nilai wajar menjadi aset tetap dengan model revaluasi telah dilakukan sesuai ketentuan ISAK 31 dan PSAK 16: Aset Tetap. Selain itu, penulis menemukan bahwa penerapan ISAK 31 memberikan dampak positif terhadap laba bersih PT A Tbk dan Entitas Anak tahun 2017.
