Abstrak

Abstract:

Thomas Kidd, a widely respected scholar of colonial history, deftly offers both depth and breadth in this accessible, introductory text on the American Colonial era. Interweaving primary documents and new scholarship with a vivid narrative reconstructing the lives of European colonists, Africans, and Native Americans and their encounters in colonial North America, Kidd offers fresh perspectives on these events and the period as a whole. This compelling volume is organized around themes of religion and conflict, and distinguished by its incorporation of an expanded geographic frame." -- Publisher's descriptio
