

Wong's essentials of pediatric nursing

Deskripsi Lengkap: <https://lib.ui.ac.id/detail?id=20481515&lokasi=lokal>

Abstrak

"Thoroughly revised to equip you with the latest research and guidelines for treating children today, this book encourages a whole-body approach by beginning with child development and health promotion to better understand the later chapters on specific health problems. A new chapter featuring all systems cancers provides comprehensive information in one place. Nursing Care Plans now incorporate additional case studies to personalize interventions and promote critical thinking." -- Publisher.
