Abstrak

Penelitian ini bertujuan untuk menganalisis implementasi program Among Raga dalam mengamankan Asian Games 2018 dan dampaknya terhadap tingkat kejahatan di Wilayah Hukum Polda Metro Jaya. Pendekatan penelitian ini menggunakan "mixed method", untuk menjawab dua pertanyaan penelitian. Pertanyaan penelitian tentang bagaimana implementasi program Among Raga digunakan pendekatan kualitatif dengan metode dekriptif analisis. Sedangkan, untuk menjawab bagaimana dampak program Among Raga terhadap tingkat kejahatan digunakan uji t statistik.

Hasil penelitian menunjukkan bahwa implementasi program Among Raga yang dianalisis dengan empat dimensi (komunikasi, sumber daya, disposisi, dan struktur birokrasi) telah berjalan efektif. Selanjutnya, hasil penelitian juga menunjukkan signifikansi dampak program Among Raga terhadap penurunan tingkat kejahatan 3C di Wilayah Hukum Polda Metro Jaya ($p < 0,05$). Penelitian ini menyimpulkan bahwa implementasi program Among Raga terhadap pengamanan Asian Games 2018 telah memberikan manfaat penyebaran pengawasan kejahatan (diffusion crime control enefit) sebagai strategi pencegahan kejahatan di berbagai wilayah Polres jajaran Polda Metro Jaya.

.....The purpose of this research was to analyze Among Raga implementation program towards the security of The Asian Games 2018 and it's impact through crime rates at Jakarta Metropolitan Regional Police. This research used mixed method to answer two research questions. Research question regarding how was the effectiveness of program implementation, answered using qualitative approach was employed. While, to answer research question regarding how the impact of Among Raga program through crime rates, the use of t test statistic analysis was applied.

Research found that Among Raga program which cover four dimensions (communication, resources, disposition, and bureaucracy structural) has been effectively implemented. Furthermore, the finding also showed the signfinance impact of Among Raga program on reducing crime rates in Jakarta Metropolitan Regional Police Jurisdiction. It could be concluded that the Among Raga implementation program towards the security of The Asian Games 2018 contribute diffusion crime control benefit as crime prevention strategy within Polda Metro Jaya Jurisdiction.
