

Understanding global conflict and cooperation: intro to theory and history

Nye, Joseph S., author

Deskripsi Lengkap: <https://lib.ui.ac.id/detail?id=20487761&lokasi=lokal>

Abstrak

This text deftly employs lessons from both theory and history to evaluate conflict and cooperation among global actors and to provide students with a resilient analytical framework. From twentieth and twenty-first century conflicts to global trade and finance, global governance, and the information revolution, *Understanding Global Conflict and Cooperation*, formerly known as *Understanding International Conflicts*, expands substantially on previous editions of this classic work to provide a lucid and thought-provoking survey of international relations.
