

A beginner's guide to structural equation modeling

Schumacker, Randall E, author

Deskripsi Lengkap: <https://lib.ui.ac.id/detail?id=20511736&lokasi=lokal>

Abstrak

The new edition's expanded use of applications makes this book ideal for advanced students and researchers in psychology, education, business, health care, political science, sociology, and biology. A basic understanding of correlation is assumed and an understanding of the matrices used in SEM models is encouraged for the more advanced SEM models.
