Abstrak

Penelitian ini membahas mengenai pentingnya dan perlunya penyelarasan pengaturan mengenai Medium Term Notes dalam Peraturan Otoritas Jasa Keuangan Nomor 30/POJK.04/2019 tentang Penerbitan Efek Bersifat Utang dan/atau Sukuk yang Dilakukan Tanpa Melalui Penawaran Umum, Surat Edaran KSEI No. 05/2021, dengan peraturan perundang-undangan terkait serta tanggung jawab hukum Notaris dalam penyelenggaraan penerbitan Medium Term Notes di Pasar Modal berdasarkan POJK No. 30/2019. Diharapkan dengan adanya pengaturan kewajiban akta Notaris di dalam Peraturan OJK, penerbitan Medium Term Notes dapat berlangsung dengan teratur dan dapat melindungi Notaris karena terdapatnya dasar kewenangan Notaris berdasarkan peraturan perundang-undangan dan pedoman yang lebih terperinci terkait dengan pembuatan dokumen penerbitan oleh Notaris. Penelitian ini menggunakan metode penelitian yuridis-normatif yang menilik secara peraturan perundang-undangan bagaimana peran dan tanggung jawab Notaris di pasar modal dalam penerbitan Medium Term Notes

.....This study discusses the importance and need for harmonization of regulations regarding Medium Term Notes in Financial Services Authority Regulation Number 30/POJK.04/2019 concerning Issuance of Debt Securities and/or Sukuk Conducted Without Public Offering, KSEI Circular Letter No. 05/2021, with the relevant laws and regulations as well as the legal responsibilities of a Notary in administering the issuance of Medium Term Notes in the Capital Market based on POJK No. 30/2019. It is hoped that with the regulation of Notary deed obligations in OJK Regulations, the issuance of Medium Term Notes can take place regularly and can protect Notaries because there is a basis for Notary authority based on laws and regulations and more detailed guidelines related to making issuance documents by Notaries. This study uses a juridical-normative research method which looks at the laws and regulations on the roles and responsibilities of a Notary in the capital market in the issuance of Medium Term Notes.
