Abstrak

Apoteker merupakan tenaga kesehatan yang berperan dalam menjalankan praktik kefarmasian baik dibidang pelayanan kefarmasian maupun di industri. Dalam menjalankan tugas keprofesiannya, apoteker memiliki hak dan kewajiban yang harus dilaksanakan menurut peraturan perundang – undangan yang berlaku maupun kode etik profesi apoteker. Sebelum memasuki dunia kerja, calon apoteker melakukan praktik kerja profesi apoteker di Rumah Sakit Universitas Indonesia periode September- Oktober 2021, PT. Anugerah Pharmindo Lestari periode November 2021, dan Apotek Roxy Jatibaru periode Desember 2021. Dengan harapan calon apoteker memiliki pengetahuan dan kemampuan yang lebih baik dalam melakukan praktik kerja kefarmasian.

.....Pharmacists are health workers who play a role in carrying out pharmaceutical practices both in the field of pharmaceutical services and in industry. In carrying out their professional duties, pharmacists have rights and obligations that must be carried out according to applicable laws and regulations and the pharmacist's professional code of ethics. Before entering the world of work, prospective pharmacists practice pharmacist profession at the University of Indonesia Hospital for the September-October 2021 period, PT. Anugerah Pharmindo Lestari for the November 2021 period, and the Roxy Jatibaru Pharmacy for the December 2021 period. It is hoped that prospective pharmacists have better knowledge and abilities in carrying out pharmaceutical work practices.
