

The Organization Of Knowledge: Caught Between Global Structures and Local Meaning

Deskripsi Lengkap: <https://lib.ui.ac.id/detail?id=20528303&lokasi=lokal>

Abstrak

Contemporary digital information society has globalized information structures and facilitated easier access to information across libraries, cultural institutions, and the Internet. While this has helped shaped global discourses, it has often done so at the expense of localized meaning and ethics. This conference sparks a conversation about the tension between the global information structures and grounding meaning and ethics in localized contexts.
