

Integrasi hukum Eropa dan dampaknya pada sistem hukum Indonesia

Safri Nugraha, author

Deskripsi Lengkap: <https://lib.ui.ac.id/detail?id=89682&lokasi=lokal>

Abstrak

This article explains the development of European law in the past, and how it evolved into its contemporary state. Globalization of European law influences the relations between European Union and Indonesia, especially in the trade sector. Both legal systems inevitably become more intertwined in the global context. This article also focused on how European law has given contribution to the development of Indonesia legal system.
