

Hukum internasional sebagai lex cause oleh badan arbitase komersial internasional

Huala, Adolf, author

Deskripsi Lengkap: <https://lib.ui.ac.id/detail?id=89867&lokasi=lokal>

Abstrak

This article discusses whether international law may be applied as *lex causae* by arbitral body. The international instruments used as comparative study are the Model Arbitration Law 1985, UNCITRAL Arbitration Rules, the ICC Rules of Arbitration, the ICSID Convention and the Indonesian National Law on Arbitration. The article suggests that although international law seems inappropriate to deal with commercial mailers, in certain circumstances, it is possible
