Abstrak

Try Sutrisno memimpin PBSI selama 2 masa yaitu 1985-1989 dan 1989-1993. Pada periode pertama, kepengurusan bulutangkis Indonesia dibenahi secara sistematis . Kemudian, regenerasi pemain mulai dilakukan dan hasilnya dapat dilihat pada periode kedua. Berbagai ajang mulai memberikan hasil positif, tidak terkecuali dua emas pertama dari Olimpiade, melalui Alan Budi Kusuma dan Susi Susanti.

.....

Try Sutrisno lead PBSI during the second period, from 1985 to 1989 and 1989 to 1993. In the first period, the renegeration of the players was adjusted soon after the management of Indonesian badminton was reorganized systematically. Then, the regeneration of the players started to do and the results can be seen in the second period. Various events began to give positive results, not least the two first gold of the Olympic Games, through Alan Budi Kusuma and Susi Susanti.
