

Family Doctor Guide to: Skin and Sunlight

Hawk, John, author

Deskripsi Lengkap: <https://lib.ui.ac.id/detail?id=9999920578435&lokasi=lokal>

Abstrak

This clear concise illustrated guide gives expert advice on understanding how your skin works and how to protect it in sunlight. The book includes information on the effects of sunburn tanning and photoaging on the skin. It gives advice on enjoying the sun with minimal risk and on diagnosing and treating skin cancers.
