

All You Wanted to Know About The Healing Touch: Acupressure

Rodriguez, Dolores, author

Deskripsi Lengkap: <https://lib.ui.ac.id/detail?id=9999920578437&lokasi=lokal>

Abstrak

When done properly, acupressure is a safe and effective way of relieving pain. It also helps to create a feeling of vitality and well-being. It needs no equipment and can be done anywhere and at any time. This easy-to-follow book shows how to relieve headaches, stress, back pain, and other common problems.
