

Bulimia Nervosa: A Guide to Recovery

Cooper, Peter J, author

Deskripsi Lengkap: <https://lib.ui.ac.id/detail?id=9999920579120&lokasi=lokal>

Abstrak

A source of information and understanding for sufferers as well as for those, such as family and friends, who need to develop a better understanding of the illness. It includes an account of the illness, an explanation of the nature of disturbances in eating habits and the problems they cause.
