

The Complete Family Medical Guide: Safe and Practical Advice for the Care of Your Family

Carter, Warwick, author

Deskripsi Lengkap: <https://lib.ui.ac.id/detail?id=9999920579293&lokasi=lokal>

Abstrak

It covers over 4150 topics from Anatomy to Cosmetic Operations, Symptoms and Treatments, and what to do in an emergency. Written in an A to Z format, readers can use it like a dictionary, finding medical terms alphabetically, alongside their more common meanings. Includes illustrations and diagrams to accompany written explanations, making it one of the most comprehensive family medical guides available. This description may be from another edition of this product.
