

Teologi sosial reaktualisasi nilai-nilai kultural menuju transformasi masyarakat

Deskripsi Lengkap: <https://lib.ui.ac.id/detail?id=114453&lokasi=lokal>

Abstrak

This paper discusses the issue of theology that is indebted to sciences and technology. Technology, even though imposed a negative impact on theology particularly to those whose faith is still unstable, has strengthened Muslim belief and does not become a threat. How technology reinforces the faith of Muslim is related strongly with the agenda of reactualization along side the praxis activities.....
