## Abstrak

Apa yang terjadi pada masa penjajahan Belanda di Hindia Belanda meninggalkan kesan yang begitu dalam bagi setiap pihak yang terlibat, tidak hanya kaum inferior tetapi juga kaum superior. Penceritaan kembali mengenai apa yang terjadi pada masa kolonial dilakukan melalui berbagai media, salah satunya karya sastra postkolonial Familiefest karya Theodor Holman. Secara jelas dan nyata pasti terjadi diskriminasi pada masa tersebut. Dengan metode penelitian deskriptif-sinkronis, diteliti bagaimana penggambaran diskriminasi yang ditemukan dalam cerita Familiefest beserta dampak yang dihasilkannya. Melalui cerita ini, ditemukan diskriminasi ras, etnis, dan kebangsaan yang terjadi pada tokoh didalamnya, yang notabene adalah kaum superior pada masa kolonial tersebut, dan dampak yang dialami para tokoh tersebut tidaklah ringan karena menyangkut masalah psikis dan masa depan mereka. Diskriminasi yang mereka alami mengubah sifat, perilaku, dan kehidupan mereka. Mereka memandang negatif akan masa depan dan selalu dihantui oleh rasa takut, terancam, dan malu.

*What happened during the Netherlands' colonialism in the Dutch East Indies left deep impression to every side that involved this moment, not only the inferior side but also the superior side. About what that happened on colonial period was told through many media, one of them is through postcolonial literature, Familiefest by Theodor Holman. Discrimination was clearly and obviously happened on that moment. By using descriptive-synchronic method, the description and the effects of discriminations on Familiefest were researched and found. On Familiefest was found racial, ethnic, and nationality discriminations that were experienced by the personages that on this story were superior people on colonialism moment. The effects that they experienced weren't simple things because those have correlation with psychological problem and how they faced their future. It changed their character, behavior, and life. They looked negatively about their future and haunted by fear, threat, and shame.*
