

English phonology: an introduction / Heinz Giegerich

Deskripsi Lengkap: <https://lib.ui.ac.id/detail?id=20375090&lokasi=lokal>

Abstrak

This is a textbook intended to introduce students of English, of English linguistics and of linguistics to the phonology of Present-day English. It is not a reference manual on the subject; nor is it an introduction to current phonological theory (in relation to English or otherwise).
