

Contemporary issues in African sciences and science education

Akwasi Asabere-Ameyaw

Deskripsi Lengkap: <https://lib.ui.ac.id/detail?id=20399791&lokasi=lokal>

Abstrak

This book points to how we promote Indigenous science education to improve upon African science and technology development in general.

The book also notes a long-standing push to re-examine local cultural resource knowings in order to appreciate and understand the nature, content and context of Indigenous knowledge science as a starting foundation for promoting African science and technology studies in general.
