[ABSTRAK

Penelitian ini bertujuan untuk mengembangkan Teori Tema Fantasi dalam kaitannya dengan pemeliharaan hubungan antarpribadi dan kohesivitas kelompok. Penelitian ini mempergunakan paradigma konstruktivis dengan pendekatan kualitatif interpretif. Penelitian ini menggunakan studi kasus purnawirawan yang tergabung dalam sebuah paguyuban. Hasil penelitian menjelaskan bahwa pengembangan Tema Fantasi mempertimbangkan faktor hubungan antarpribadi dan pemeliharaan kohesivitas kelompok. Pembentukan tema fantasi dapat dipergunakan untuk memelihara kohesivitas kelompok. Kohesivitas kelompok yang terpelihara memudahkan anggota kelompok membentuk tema fantasi dan mempererat jalinan hubungan antarpribadi. Jalinan hubungan antarpribadi memiliki keterkaitan dalam pembentukan tema fantasi dan pemeliharaan kohesivitas kelompok. Hubungan antarpribadi yang bernilai positif mampu membuat aktivitas komunikasi berjalan dengan efektif sehingga anggota kelompok memberi respon pada cerita atau fantasi yang sedang berkembang dalam kelompok;
