

Research methods in European Union studies

Deskripsi Lengkap: <https://lib.ui.ac.id/detail?id=20420142&lokasi=lokal>

Abstrak

Abstract:

This collection sets a new agenda for conducting research on the EU and learns from past mistakes. In doing so it provides a state-of-the-art examination of social science research designs in EU studies while providing innovative guidelines for the advancement of more inclusive and empirically sensitive research designs in EU studie
